Strafford County Department of Corrections Programming Report

The purpose of this report is to show a record of participation in rehabilitation programs at the Strafford County Department of Corrections. Please keep in mind that due to COVID-19 restrictions, we have limited classes at this time.

01/09/23

Case of: Patrick Plummer

This report confirms that Patrick Plummer has attended and participated in the following in-person classes:

- **Mending Minds** - Patrick has completed this 10-week psychoeducation group and has received a certificate of completion. Patrick continues to attend this group weekly and is an active participant.
- **Bible Study** – Patrick attends Bible Study regularly.

Education: Please see the attached transcript for Patrick Plummer. This transcript is from his work on our Edovo education application. Technically, this transcript demonstrates a completion of each course, which is a way of compiling certificates and states how much time he spent on each individual course. Strafford County just began using the Edovo application on 10/4/2021, and it is 100% participant led, meaning that participants make the choice to participate and select the courses they would like to complete in their free time.
